This month's meeting was a picnic at Satterlee creek.

Attendance:

President

Vice President

Cha-Hanna August picnic at the park happened on the 21st. Lots of folks enjoyed the burgers and dogs and all the big variety of goodies and dinner additives that were brought. Inga of course had a huge selection of things for the kids to do, and I think I heard a bit too late

that the big kids were able to participate in her doings. Atticus was seen participating in the many projects available including polishing a specimen on the capping machine.

Then I noticed pretty Olivia involved in the things that Inga brought and one of her projects was painting sea shells. Nice job Olivia.

Sunshine report

Hope everyone is doing well. Was a nice time at the last, for the summer, picnic held at Saterlee Creek Park. Rain held off until after everyone had gone on their way home. Was a little windy, but that was ok. Please keep Max in your prayers as he's going through some more medical issues. Was in the hospital again, but hopefully

home and doing much better.

Hope that Janet is doing well after her bout with Covid. No fun being sick, that's for sure. I did call Bill Dimmick, left a message, and didn't hear back from him. Maybe I'll give him another call. Don't even know if I have the right phone number.

Hope to see you at the September meeting back at the Methodist Church in Athens.

If you know of someone in need of a card or phone call, please let me know and I will do my best to take care of it.
